Vacancies - Jobsireland.ie

German/English(Multi-Lingual)Help Desk Technical Support

Ref: #JOB-2038322

The over-riding objective of the position is to resolve technical support issues in a European inbound customer service environment and to enhance our customers' experience by always exceeding their expectations

Main Responsibilities:

- Provide post-sales telephone and email support to the clients, customers and partners
- Responsible for answering incoming telephone calls and emails and prioritizing customers support needs
- Provide 1st and 2nd level support on the clients' software and hardware
- Resolve technical support issues and provide customers with a solution, via troubleshooting techniques
- Escalate technical issues as required
- Complete documentation and follow up on all commitments and customer details.
- Adhere to the technical support policies and processes
- Test customers' hardware in house and keep up to date with known technical issues
- Other duties to be assigned as required

Skills/Experience/Qualifications

- Fluency required in German and English with excellent written skills in each of these languages
- Third level qualification in technical or IT related discipline desirable but not essential
- Previous customer service experience required
- Previous Technical Support or IT environment experience desirable, preferably in software and hardware environments
- Working knowledge of major operating systems (Microsoft) essential
- Working knowledge of MS Office applications essential
- Demonstrate flexibility and an ability to learn quickly
- Good problem solving abilities and aptitude to understand and explain technical information
- Ability to work towards individual and team targets
- Excellent interpersonal, communications and time management skills
- Ability to work on own initiative but also as part of a team
- Ability to develop and maintain customer rapport
- Good verbal and written communication skills are required

Quality Test Engineer – International Company

Webrecruit Ireland Ltd

Ref: #JOB-2046563

Quality Test Engineer – International Company

Co. Limerick

€50,000 - €53,000 Plus Pension, Health Insurance, Flexi-Time, Free Car Parking

Our client specialises in developing innovative electronic, electromechanical and mechatronic products for the automotive industry. They are now looking for a Quality Test Engineer to join their team in Limerick.

This is an exceptional opportunity for a proven quality test engineer with great mechanical skills to take on a fresh, engaging challenge with a successful international company.

Passionate about technology, our client offers a culture of challenge and encouragement where you'll have the chance to make a positive impact on the success of their new products and processes.

Actively participating in new product and equipment trials and releases, you will assist in the development of manufacturing standards for new products, processes and equipment. You will be actively involved in new product introduction activities, such as FMEA, APQP and PPAP, problem analysis and improvement and capability planning and analysis.

Working as part of the continuous improvement team, you will produce new product documentation and manufacturability reports, assist in the transfer of new products into production and undertake mechanical stress risk analysis and strain gauge application and result assessment.

To be considered for this role, you must have:

- A minimum of two years' experience in a quality test engineering role
- A strong mechanical aptitude
- A degree in mechanical, electronic or production engineering

Focused and attentive to detail, as a Quality Test Engineer, you'll need to be a strong problem solver who has great communication skills and the ability to work well within a team environment.

To apply for the role of Quality Test Engineer, please apply via the button shown.

This vacancy is being advertised by Webrecruit Ireland Ltd. The services advertised by Webrecruit Ireland Ltd are those of an Employment Agency.

Additional Keywords: Quality Test Engineer, Quality Engineer, Manufacturing Quality Engineer, Mechanical Quality Engineer, Component Quality Engineer, Production Quality Engineer, Mechanical Production Engineer, NPD Quality Engineer, NPI Quality Engineer, Mechanical NPD Engineer, NPI Engineer.

Vacancies – Community Employment (CE)

Community Employment (CE) Scheme positions are developmental opportunities and no prior experience is necessary. Accredited training will be provided to you during your placement.

Position details are advertised on www.jobsireland.ie

Please contact your local DSP Employment Services/Intreo Office to check your eligibility and to apply for a vacancy. Eligibility to participate on CE is generally linked to those who are 21 years or over for the Childcare, Health & Social Care sectors and 25 years or over for all other areas. Applicants must be in receipt of an Irish social welfare payment for 1 year or more.

Further information regarding the CE Scheme is also available on the Citizens Information website

Enterprise

Are you interested in Starting Your Own Business?

If you are getting certain social welfare payments and you would like to become self-employed, the **Back to Work Enterprise Allowance (BTWEA)** lets you keep a portion or all of your payment for up to 2 years while you establish your business. To determine if you are eligible for the scheme, contact your Jobs Facilitator at your local Department of Social Protection office.

Once eligibility is confirmed, West Limerick Resources will assist you with your BTWEA application. You will also be advised on creating a business plan, tax registration, obtaining insurance etc.

A Start Your Own Business Course and additional training is also provided free of charge including:

- Steps to Starting a Business
- Market Research and Preparing a Marketing Plan
- Bookkeeping Basics for Small Business Start-ups
- Health and Safety Statements, Legislation & Guidelines
- Social Media Solutions for Small Business

Jobs Club

The Jobs Club works with "job ready" people who seek training and advice on job seeking skills.

This free service will help you to plan, actively seek and secure realistic work opportunities by providing individual or group support and guidance sessions in all areas relating to looking for a job, particularly the preparation of CV's, cover letters and interview techniques.

The club is open to unemployed people of all ages and works with a wide range of people from all backgrounds.

Jobs Club membership is FREE and CONFIDENTIAL.

This is a Department of Social Protection service, fully funded by the Department, and delivered under contract for and on behalf of the Department.
